This requirement for a decision by a majority of both Union and Employer Trustees voting will apply not only to this Article but to any portion of this Trust Agreement which refers to action by the Trustees. If any matter presented to the Trustees for a decision cannot be decided because there is no quorum at two successive regular or special meetings, or because of a tie vote at any meeting, the matter may be submitted to arbitration, as

stated in Article IX of this Trust Agreement.

Section 6. Minutes of Meetings. The Trustees or someone designated by them will keep minutes of all meetings. The minutes need not be verbatim. Copies of the minutes will be sent to all the Trustees and to other persons as the Trustees may direct. Minutes of a meeting will be reviewed and approved by the Trustees at the next meeting.

Section 3. Construction and Determinations by Trustees. Subject to the purposes of the Fund and the provisions of this Trust Agreement, the Trustees have full and exclusive discretionary authority to determine all questions of coverage and eligibility, method of providing for benefits and all other related matters. (i) invest the assets of the Fund in a common, collective, or commingled trust fund, to the extent permitted by ERISA and other applicable law. Agreement;

defined in ERISA, and enter into an agreement with such investment managers, in accordance with the requirements of ERISA, delegating to the investment manager the responsibility to control and manage, acquire and dispose of all or a portion of the assets of the Trust Fund which the Trustees may specify;

(p) enter into an agreement with an administrative manager or establish an arrangement in cooperation with related benefit funds to establish an administrative office or offices of the Trust Fund and of the Trustees under the direction of the Trustees or a committee of the Trustees. The administrative office will coordinate and administer the accounting, bookkeeping and clerical services, provide for the coordination of actuarial services furnished by the consulting actuary, prepare (in cooperation where appropriate with the consulting actuary and independent auditor) all reports and other documents to be prepared, filed or distributed by the Trust Fund in accordance with law, assist in the collection of amounts due to the Trust Fund by Employers and Employees and perform such other duties and furnish other services as may be assigned, delegated or directed or as may be contracted by or on behalf of the Trustees;

The cost of the premiums for such policies of insurance will be paid out of the Trust Fund to the extent permitted by ERISA;

(v) enter into reciprocal agreements (on such terms as the Trustees determine to be advisable) with trustees of other vacation and holiday funds to permit Employees covered by this Fund to receive credit in this Fund when

working outside the geographical and/or trade jurisdiction covered by Collective Bargaining Agreements, as defined in this Trust Agreement, and to receive from other vacation and holiday funds payments received on behalf of such Employees by the other funds; to disburse to other vacation and holiday funds payments received on behalf of employees not normally covered under this Fund to permit those employees to receive credit in such other vacation and holiday funds;

(z) do any and all acts, whether or not expressly authorized in this Trust Agreement, which the Trustees determine to be necessary to accomplish the general objective and purpose of providing vacation and holiday and related benefits to Employees.

Section 5. Personal Liability. Except to the extent liability is

imposed by ERISA, no Trustee will be liable or responsible for his own acts or for any acts or defaults of any other fiduciary or party in interest or any other person.

The Trustees, to the extent permitted by applicable law, will not incur liability by acting on any document which they believe to be genuine and to contain a true statement of facts and, if applicable, to be signed by the proper person.

Section 6. Reliance on Written Instruments and Professional Advice. Any Trustee, to the extent permitted by ERISA, may rely upon any written document purporting to have been signed by a majority of the Trustees as conclusive evidence of the fact that a majority of the Trustees have taken the action stated to have been taken in such document.

The Trustees may, from time to time, consult with the Trust Fund's legal counsel, actuary and any other professionals. To the extent permitted by ERISA, the Trustees will be protected in acting upon the advice of such professionals.

Section 7. Reliance by Others. No party dealing with the Trustees will be obligated to see that the funds or property of the Trust Fund are applied to the stated purposes of the Trust, to see that the terms of this Trust Agreement have been complied with or to review the necessity of any act of the Trustees. A document executed by the Trustees will be conclusive evidence in favor of any person relying on such a document that at the time the document was executed, the

Trust was in full force and effect, that the document was executed in accordance with the terms and conditions of this Trust Agreement, and that the Trustees were authorized and empowered to execute the document.

Section 8. Books of Account. The Trustees or their agent will keep true and accurate books of account and records of all transactions of the Trust Fund which will be open to the inspection of each of the Trustees at all times and which will be audited at least annually and at such other times as the Trustees determine it to be appropriate by a certified public accountant selected by the Trustees. Such audits will be available at all times for inspection by the Association, Employers, the Union and the Employees or their Beneficiaries at the principal office of the Trust Fund.

Section 9. Surety Bonds. The Trustees and any agents or employees who are empowered and authorized to sign checks and handle monies of the Trust Fund will be bonded by an authorized surety company qualified to write such bonds. The bonds will be in the amounts required by applicable law.

Section 10. Execution of Documents. In the course of operating the Trust Fund the Trustees will execute documents in the name of the Plumbers

Local 1 Vacation and Holiday Fund. Documents may be signed by the Co-Chairmen, or one or more Trustees authorized by resolution. Documents executed as provided above are binding on the Trustees and the Trust Fund.

ARTICLE VI
Payments TO THE TRUST FUND

Section 1. Payments Held in Trust. The Trustees will receive and hold the payments provided for in this Trust Agreement and any other money or property which may be entrusted to them, as Trustees, with the powers and duties and for the uses and purposes set forth in this Trust Agreement. Neither the Union, the Association, the Employers, Employees, or Beneficiaries will have any right, title or interest in or to the Trust Fund or any part of the Trust Fund except as required by law.

Section 2. Encumbrance of Benefits. The Plumbers Local Union No. 1 Vacation and Holiday Fund is an irrevocable trust for the sole and exclusive benefit of the Employees and their Beneficiaries who are entitled to benefits under the Plan of Benefits.

All of the assets of the Trust Fund will be free from the interference and control of any creditor of the Union, the Association, the Employers, Employees or Beneficiaries except as may be required by law. No benefits will be subject to assignment or other anticipation, nor subject to seizure or to sale under any legal,

equitable or other process except as may be specifically required in accordance with applicable law. Except as required by law, if any claim or benefit becomes or may become payable to any person other than the Employee or Beneficiary entitled to the benefit, the Trustees have the power to withhold payment of the benefit to the Employee or Beneficiary until the assignment, encumbrance, anticipation or other legal process is canceled or withdrawn in a manner satisfactory to the Trustees. Until so canceled or withdrawn, the Trustees have the power and discretion to use and apply the benefits directly for the support and maintenance of the Employee or Beneficiary.

Except as required by law, any Employers payments and payments due and owing to the Trust Fund are not and will not be considered wages due to Employees. The Trust Fund will not be liable for or subject to the debts, contracts or liabilities of the Union, the Association, Employers, Employees or Beneficiaries.

No Employee or Beneficiary has the right to receive any part of the assets of this Trust Fund, except as provided by the Plan of Benefits.

Section 3. Rate of Payments. Each of the Employers will pay to the Trustees or to an agent designated by the Trustees the amount of money as established and provided for in Collective Bargaining Agreements. An Employer will also be obligated to pay the amounts established in such agreements following the expiration of a Collective Bargaining Agreement if the Employer is under a duty to pay

such amounts pursuant to an obligation arising under the National Labor Relations Act. The obligations of each Employer under this Trust Agreement will be binding upon the Employers' successors and assigns to the extent provided by law.

Section 4. Mode of Payment and Reports. All payments required by the Collective Bargaining Agreements as defined in Article I, Section 1 will be paid to the Trustees in the manner and form determined by the Trustees. The Employer will make all reports on payments required by the Trustees in the performance of their duties under this Trust Agreement.

The Trustees may, at any time, designate a qualified representative to conduct an audit of the payroll, wage and other records of any Employer to permit the Trustees to determine whether the Employer is making full payments to the Trust Fund in the amounts required by the Collective Bargaining Agreement. Any data or information provided to the Trustees by an Employer or by the Union will be kept confidential and may not be disclosed by the Trustees to any third person, unless the Trustees decide that disclosure is necessary for the proper administration of the Fund.

Section 5. Presumptions Which Apply Where Records Are Not Sufficient. Employers bound to this Trust Agreement are required to keep records that are sufficient to allow the Fund's representative and/or auditor to determine which Employee performed work for which payments were required to be made to

the Fund by the Employer and how many hours of such work were performed. If the Fund's representative and/or auditor determines that the Employer's records are not sufficient for this purpose, it will be presumed that any individual who performed work for which payments were required to be made to the Fund by the Employer during the period covered by the audit, spent his entire time performing such work. Therefore, unless other records are available to determine hours worked, a delinquency based on the work performed by such a person will be calculated by dividing the person's total compensation from the Employer by the applicable wage rate under the Collective Bargaining Agreement and multiplying by the appropriate rate of payment.

Section 6. Default in Payment. Each Employer is responsible only for making payments that it is obligated to make on behalf of its Employees under its Collective Bargaining Agreement except as provided in this Trust Agreement. If an Employer does not pay any payment when due this will not relieve any other Employer of his obligation to make payments. Non-payment by one Employer of any amount when due does not impose on any other Employer, the Association or the Union any obligation with respect to such payments.

Regular, prompt and correct payment of amounts due by individual Employers to this Fund is essential for the maintenance of the Fund. It is extremely difficult, if not impossible, to establish the actual expense and damage to the Fund

and to the benefit program provided by the Fund which will result from the failure of an individual Employer to make payments in full within the specified time period established by the Trustees. Therefore, payments and the completed reporting forms are due by the twentieth (20th) day following the end of each calendar month. If an Employer does not file a report or make payments within ten (10) calendar days of the due date, the following, in the discretion of the Trustees, will be added to and become a part of the amount due from the Employer: (1) liquidated damages for each monthly report or payment due in the amount of twenty percent (20%) of the amount due, plus interest at the rate of twelve percent (12%) from the due date to the date of payment; or (2) double interest as provided in ERISA. If an audit of an Employer's records discloses payments due to the Fund, the Employer will also be obligated to pay the audit fee.

The Trustees have the power to take any action necessary to enforce the payment of amounts due, which may include filing or intervening in any legal, equitable or administrative proceedings. All reasonable expenses incurred by the Trust Fund to enforce the payment of amounts due, including but not limited to, reasonable attorneys' fees, accountants' or auditor's fees and court costs will be added to the amount owed by the delinquent Employer in addition to the amount of payments due and the liquidated damages and interest provided for above. The Trustees have the authority to settle or compromise any claim, suit, or legal action

for less than full amount due or to waive amounts due or determine amounts due to be uncollectable when in the Trustees' discretion they determine it to be in the best interest of the Fund.

The Trustees or a committee appointed by the Trustees have the discretion to adopt such rules and procedures concerning payments to the Fund, audits, liquidated damages and to enforce the collection of delinquent payments as they determine to be necessary. The Trustees may, in their discretion, require a bond or deposit as security for the prompt future payment of amounts due to the Fund. The Trustees may, in their discretion, adopt special rules, including but not limited to, more frequent reporting and payment of payments in the event an Employer has been repeatedly delinquent or based on the Employer's financial condition, if the Trustees determine that this is necessary to prevent or limit the size of a current or potential delinquency.

Section 7. Projection of Delinquency. Where an Employer is two or more months delinquent in making the payments required on behalf of his Employees and has not submitted the required documents showing the Employees who worked for him and the hours worked, the Trustees may project as the amount of the delinquency the greater of (a) the average of the monthly payments or reports actually submitted by the Employer for the last three (3) months for which payments or reports were submitted or (b) the average of the monthly payments or reports

submitted by the Employer for the last twelve (12) months for which payments or reports were submitted. This projection of delinquency may be made in place of a demand for production of payroll documents, or if the Employer fails to provide such documents, in place of an audit. The projection may be used as a determination of payments due for each delinquent month, and may be used for purposes of any lawsuit, and no other proof need be provided by the Trustees to any court or arbitrator to compute the total payments due from the Employer for all delinquent months, exclusive of liquidated damages, interest, attorneys' fees and costs set out in this Article. This provision does not, however, limit the Trustees from seeking a greater amount than the projected delinquency if a greater amount is shown to be owed by records or other evidence.

ARTICLE VII PLAN OF BENEFITS

Section 1. Benefits. The Trustees have full discretion and authority to adopt a Plan of Benefits which includes the eligibility requirements, type, amount and duration of benefits that are to be provided equally and without discrimination to eligible Employees and Beneficiaries, based on what the Trustees determine to be within the financial limitations of the Trust Fund. However, only vacation and holiday, and related benefits, may be provided for under this Trust Agreement.

Section 2. Eligibility Requirements for Benefits. The Trustees have

full discretion and authority to determine the eligibility requirements for benefits provided by the Fund. They have full discretion and authority to adopt rules stating the eligibility requirements which will be binding on the Union, the Association, Employers, Employees, Beneficiaries and dependents and any other persons making claims.

Section 3. Written Plan of Benefits. The detailed basis on which payment of benefits is to be made pursuant to this Trust Agreement will be stated in the Plan of Benefits. The Plan of Benefits may be changed or modified by the Trustees at any time as the Trustees, in their discretion, determine is necessary based on the financial condition of the Fund, the needs of Employees and Beneficiaries and other related facts and circumstances. Any change or modification of the Plan of Benefits made by the Trustees will be stated in writing.

Section 4. Government Agency Approval. If, within thirty (30) days after the occurrence of either of the two events referred to above the Union Trustees and the Employer Trustees fail to agree upon the selection of an impartial arbitrator, then the Union Trustees or Employer Trustees may request the American Arbitration Association to submit a panel of five (5) arbitrators from which the disputing parties will choose one (1). The decision of the impartial arbitrator will be final and binding on all parties and persons concerned.

Section 2. Expenses of Arbitration. All reasonable and necessary costs and expenses in connection with the proceedings before the impartial arbitrator, including the fee, if any, of the impartial arbitrator and including attorneys' fees
